## Club Activities:

- **Build Tables** – Take a few hours each month and build!
- **Learn and Engage** – Members share their experience online and at local club meetings
- **Model Talk** – Review and discuss model kits and tools
- **Showcase your Work** – Share with our community
- **Group Meet-Ups** – Members connect at local and regional IPMS events and shows
- **Annual Swap Meeting & Build Day** – Clear your stash by swapping or buying model kits

IPMS/USA is the United States branch of the International Plastic Modelers' Society. We offer programs designed for novice and experienced modelers, as well as a special program for veterans.

We host nationwide events, including chapter-led gatherings, larger regional events, and a National Convention offering competitions, seminars, tours, and a banquet. We maintain one of the largest and most-visited public websites in the modeling community, where members and visitors can view product reviews, chapter and contest information, museum walkarounds, and the like. Want to know more? Ask us about it today!
